NEWS RELEASE

1/13/2009
FOR IMMEDIATE RELEASE

Mayor Announces Windsor's 2009 Summer Nights on the Green Sponsorship Program

Mayor Robin Goble has issued an invitation to local and county-wide businesses and organizations to become sponsor-partners with the Town of Windsor in the production of Windsor's signature event, *Summer Nights on the Green*. The Town plans an all-concert lineup on Thursday nights this summer that will continue to include Windsor Farmers Market and the Old Downtown Classic Car Show plus Tuesday Night Kid Movies and Shakespeare on the Green. "We expect thousands of families, residents and friends to come to Windsor Town Green seeking fun, free family entertainment this summer," said Community Services Director Donna Legge. "We invite our business community to benefit by becoming a sponsor of *Summer Nights on the Green* and associating their name with Windsor's premiere event."

Sponsorships come in four different levels, Showcase Band, Gold, Silver and Bronze with corresponding benefits that can include mention in promotional materials, banners, weekly public exposure on Windsor Town Green and in print media and public announcements. Details and a pledge form are available on the Town's website: www.townofwindsor.com or by contacting the Town's Community Services Department (Jeannie Mitchell) at (707) 838-5382 or jmitchell@townofwindsor.com. The pledge deadline, to insure inclusion in the promotional pieces, is February 2, 2009.

We create community through people, parks & programs!
