

KINDERCLUB'S TEACHING STAFF

Leena Chung is our Interim Lead Teacher in the Kinderclub Preschool. She has a B.A. in photojournalism, art photography, and literature from the University of Missouri-Columbia. She worked as a photojournalist with various newspapers before becoming a mother of two. Leena has been with the Town of Windsor preschool program since 2010. Both of Leena's children attended Kinderclub, and feels privileged to be part of this great program as a teacher now. "I love working with preschool aged children; they are funny, caring and eager to learn."

Amy Girmonte grew up in West Sonoma County. She attended California State University at Chico where she received her B.A. in social science with a minor in Spanish. Over the years, she had worked in local elementary schools as a teaching and reading assistant. Amy is excited to be able to work with and be a part of the amazing development that takes place during the preschool years. She and her husband have called Windsor home for the past 20 years. She feels grateful and privileged to be raising her 2 children in such a wonderful community.

Stephanie Sanchez has been working with the Town of Windsor Preschool staff since 2018. She accepted the assistant teaching position in Kinderclub last school year. She has an Associate Teacher Certificate in Child Development from the Santa Rosa Junior College. Stephanie lives in Santa Rosa with her husband, son, and daughter. She feels privileged to be working for the Town of Windsor Preschool Program and to be part of your children learning experience.

Silvia Worlow has lived in Windsor since 2006 with her husband and 3 children. She has an associates degree from SRJC in child development. From 2016-2020 Silvia worked for the Windsor Unified school district. She is finally able to work with with her dream age, preschool, this year. Silvia loves this age because the kids are honest, say the funniest things, and she loves the way their minds work. She is looking forward to what the future brings.
