The County of Sonoma, hereinafter shall be called "County." This ordinance shall be applicable in the incorporated and unincorporated territory of the County.

Section 2. OPERATIVE DATE. "Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

Section 3. PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.5 of Part 1.7 of Division 2 which authorizes the County to adopt this tax ordinance which shall be operative if a (2/3) majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.
- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.
- E. To establish a local funding source for Sonoma County Regional and local City Park deferred maintenance, improvement, programs for youth and adults, and wild land fire prevention as set out in detail in the expenditure plan ("Expenditure Plan") adopted as part of this Ordinance.

- G. Sonoma County and Cities own thousands of acres of parkland that could be opened and made accessible to the public through this investment, allowing for more hiking, biking and horseback riding trails, picnic areas, campgrounds and athletic facilities for Sonoma residents to visit and enjoy.
- H. The proposed tax would encourage interagency efforts to promote recreation, health, agricultural viability, protection of watersheds, promotion of biodiversity and economic vitality consistent with the County's mission of investing in beautiful, thriving and sustainable communities for all and enriching the quality of life in Sonoma County.
- I. The proposed tax would provide needed funding to enable Sonoma County Regional and City Parks to (i) fund currently unfunded deferred maintenance of existing infrastructure, and (ii) redevelop existing facilities and install new infrastructure that would make Sonoma County Regional / City parks more sustainable in accordance with the attached expenditure plan.

Section 4. CONTRACT WITH STATE. Prior to the operative date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the

The committee shall review the receipt and expenditures of the revenue from the transactions and use tax, including the County’s annual independent audit. The committee’s review shall be completed in conjunction with the County’s budget process. The committee shall produce an annual oral or written report on its review which shall be considered by the Board at a public meeting. The committee may provide budget recommendations to the Board and City Councils regarding expenditures from the transactions and use tax. Any written report shall be a public record. The Board shall adopt a resolution regarding the appointment of seven committee members, and any additional duties of the committee. A minimum of two of Committee members will be selected from list of names submitted by the Mayors of Sonoma County Cities, provided such suggested names are submitted. In the absence of one or both names from City Mayors the Sonoma County Parks Advisory Commission Chair and Vice Chair will serve on the Oversight Committee. Each Board of Supervisor Member will appoint one person to serve on the Citizen’s Oversight Committee. Committee members will serve a three year term and are eligible to be reappointed to one additional three year term.

The funds collected from the transactions and use tax ordinance shall be accounted for and tracked by the County Auditor-Controller Treasurer-Tax Collector in four separate funds to facilitate citizen oversight.

The amount generated by this revenue source and how it was used shall be included in the annual audit of the County's financial operations by an independent certified public accountant, which the committee shall review.

To preserve the integrity and independence of the oversight process, the committee's responsibilities shall not include decision-making on spending priorities, financing plans or tax rate projections or assumptions and the committee shall have no authority to direct, nor shall it direct, County or City staff or officials.

If the election is successful, the County shall be reimbursed for any fee charged by the California Department of Tax and Fee Administration from the proceeds of the tax.-

Election and Administration Costs

Payment for the costs of the election shall be the responsibility of the County. If the election is successful, the County shall be reimbursed for the cost of the election from the proceeds of the tax. The annual administrative cost borne by the County's Auditor staff and the California Department of Tax and Fee Administration will be deducted from the annual proceeds from 1/8% sales tax before distribution to the cities and the County park department.

Allocation of Transaction Tax Proceeds

The net proceeds from the 1/8th % tax after deduction for California Department of Tax and Fee Administration and the County Auditor-Controller, Treasurer, Tax Collector cost for the administration of the tax shall be distributed as follows: 33.3% of proceeds from the 1/8th

percent transaction tax will be distributed to all incorporated cities based on their pro rata share of the most current total population of incorporated Sonoma County cities as provided by the State of California Finance Department. A onetime change over the 10 year term of this measure can be made to the per capita method of distributing the 33.3% share to cities by agreement of a 2/3rds majority of the City Managers or their designee's from each of the incorporated Sonoma County Cities.

Maintenance of Effort Requirement

The proceeds from this measure should not be used to supplant an agency's historical general fund(s) contribution in support of the operating (non-capital project) cost for providing its park and recreation programs, facilities and services. Other than during times of financial downturn or other unexpected event, General Fund contributions, adjusted for onetime funding, should not be less than allocated for the previous fiscal year. For purposes of this section a financial downturn is defined as a time where total general fund revenues for the county/city have declined by 1% or more when compared to the previous year.

Tax proceed recipients (cities and county) with reductions to General Funded Parks Departments due to financial downturn will not be deemed as in violation of the maintenance of effort requirement provided the actual amount of General Funds provided for operating Parks and Recreation programs, facilities and services is no less than the lowest amount provided over the three fiscal years of 15/16, 16/17 and 17/18 as shown in those three years' Adopted Budgets.
