The Town of Windsor thanks your organization for taking steps to protect the environment. By using the car wash pollution prevention kit, you are preventing soap, oil, grease and other pollutants associated with car washing from entering our creeks through the storm drain system.

Hold Harmless Agreement

Organization shall defend, indemnify, and save and hold harmless the Town of Windsor, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers, volunteers and the public), or damage to property, resulting from or arising out of Organization's willful misconduct or negligent act or omission while using the Town of Windsor's car wash kit, except those matters arising from the Town of Windsor's sole active negligence. The parties intend that this provision shall be broadly construed.

By signing below, I represent that I am an authorized representative of the above-named organization and can legally bind the organization.
