

**Describe your Community of Interest (COI) below:**

Be sure to include **what** makes it a Community of Interest (e.g. shared culture, common neighborhood projects, etc.) **where** it is located (i.e. streets, creeks, freeways, or other places in the city make up the exterior boundaries of your COI) and **why** it should be kept together (e.g. easier to work with 1 council member). **A COI can be any size – large or small – and does not need to be the same size as a district. Often multiple COIs are included in one district!**
