FOR STORM WATER AND WASTEWATER ENVIRONMENTAL PROGRAMS
FOR THE
TOWN OF WINDSOR**

Section 1 - INTRODUCTION

The Town of Windsor (Town) is requesting qualifications from firms to provide on-call engineering services to support the Town's storm water and wastewater environmental programs. Specific tasks may include: inspections, plan review, permit application review and processing, and discharge investigations.

The Town intends to award one or more master contracts to qualified consultant(s) that have a demonstrated history of successfully performing similar services. In reviewing proposals, the Town will utilize the evaluation criteria and the selection process described in Section 4.

The Town of Windsor (Town) has prepared this Request for Qualification (RFQ) for on-call services. The following six (6) firms are receiving this RFQ and the RFQ has been posted on the Town's website:

- City of Santa Rosa
- EEC Environmental
- GHD Inc.
- H&S Associates
- Sonoma County Water Agency
- Trans Tech Consultants

Section 2 – BACKGROUND

Windsor is located in central Sonoma County, approximately 20 miles east of the Pacific Ocean. The City of Healdsburg is approximately five miles to the northwest and Santa Rosa, the Sonoma County seat, lies seven miles to the southeast. The Town of Windsor encompasses 7.3 square miles (4,672 acres). Future growth and land use changes for the Town of Windsor are limited to the Urban Growth Boundary (UGB). The Windsor UGB currently encompasses 7.5 square miles and includes the incorporated areas of the Town as well as surrounding unincorporated areas that may be affected by the future growth of the Town.

The Town, together with the Windsor Water District, operates under wastewater discharge permit NPDES R1-2020-0010 and storm water Phase I MS4 permit Order No. R1-2015-0030. Specific inspection and pretreatment tasks must be carried out in accordance with these permits in addition to other federal, state and local requirements.

The Town requires consulting services to meet storm water and wastewater pretreatment program requirements. The specific tasks or assignment will be identified by the Town as the need arises and may include:

- Perform as-needed critical source storm water inspections and distribute proper Best Management Practices (BMPs) as required under the Town’s MS4 NPDES Permit and provide written inspection reports; and
- Perform as-needed pretreatment and industrial waste inspections, issue wastewater discharge permits on behalf of the Town and provide written inspection reports; and
- Assist with the performance and/or coordination of sampling and monitoring activities; and
- Perform as-needed plan check review, including the review for new grease removal device applications; and
- Assist with the processing and review of new and renewal wastewater discharge applications and permits; and
- Assist with investigation of illicit discharges to the sewer or storm drain system; and
- Issue verbal notices and follow-up inspections to enforcement actions. Note: Town of Windsor staff will conduct formal enforcement activities, when necessary.

Section 3 – FORMAT AND CONTENTS OF STATEMENT OF QUALIFICATIONS

To maintain uniformity in the evaluation process, your Statement of Qualifications (SOQ) shall be limited to a maximum of thirty (15) pages **including all attachments**. Paper size shall be limited to 8 ½-inch by 11-inch size in the proposals except for figures and tables for which 11 inches by 17 inches may be used. The text font shall not be smaller than size 11 except within any tables included. The transmittal letter, table of contents, front and back covers, section dividers, and detailed resumes are excluded from the page count. The proposal shall include the following sections in the order below:

1. **Transmittal Letter:** Within a maximum of two pages, include the primary consultant’s name and business address, as well as the Project Manager’s name, telephone number, and email address. Summarize your understanding of the RFQ scope and briefly introduce your team. Your letter should specify your interest in the category of engineering work (i.e., Water, Recycled Water, and/or Wastewater systems). State the firm’s acceptance of the provisions in the Town’s Master Professional Services Agreement (Attachment I) including insurance requirements (Attachment II), or any exceptions thereof.
2. **Approach to Work:** Provide a narrative description of the how the work or assignment will be managed based on your understanding of the needs of the Town and knowledge of the Town’s facilities and systems. The Town will assess your qualifications on providing engineering work for the Town’s water, recycled water, and/or wastewater systems.
3. **Project Team:** Include contact information and a summary of the firm’s organization and history. Identify and describe roles for each consultant team member and a brief “bio” for each key team member and their qualification to perform the assigned role. Provide a resume of each key team member. Provide the name of Consultant’s project manager and the name and title of the individual authorized to negotiate the contract on behalf of the consulting firm. Please provide this information for each interest area in the category of engineering work for water, recycled water, collections, and/or wastewater treatment systems.

4. **Relevant Experience:** Provide a summary of projects for which the consultant has performed similar services. This list shall include the name, contact person, address, and phone number of each party for whom the service was provided, as well as a brief description of the service performed, the dollar amount of the contract, and the date the project was completed.
5. **References:** Provide two references (name, title, agency, and telephone number) for the Project Manager and Task Leaders from similar type/size projects.
6. **Rate Schedule:** Include current list of hourly billing rates for all staff identified in the SOQ, as well as any indirect charges that may be invoiced for engineering work. The rate schedule shall note all anticipated fee increases for the next two years. Include direct labor costs and expenses for travel and indirect charges for items such as software, materials, printing, survey equipment, high-end computer use, etc.
7. **Conflict of Interest:** Firms submitting SOQs must disclose to the Town any actual, apparent, direct or indirect, or potential conflicts of interest that may exist with respect to the firm, management, or employees for the firm or other persons relative to the services to be provided for this project.

Section 4 - EVALUATION AND SELECTION CRITERIA

The Town follows Qualifications-Based Selection (QBS) approach to consultant selection. The consultants that are deemed to most fully meet the following criteria will be asked to negotiate a scope and fee for a Master Professional Services Agreement (MPSA). Qualifications will be evaluated on the basis of the following criteria:

- Firm's experience of the services required, including unique and direct knowledge of the Town's water, recycled water, collections, and/or wastewater systems.
- Responsiveness to this RFQ.
- Experience and qualifications of the firm's project managers, team leaders, other essential personnel assigned to the Town's on-call engineering work.
- Approach to providing services.
- Information obtained from references.

Based on evaluation of the qualifications and the Town's needs, the Town may select one or more consultant(s) and enter into negotiations for a Master Professional Services Agreement (MPSA) based on a specialty area of expertise or experience. When an assignment is identified, the Town will i) select a firm with an executed MPSA and negotiate a specific scope of work and fee under a separate Task Order to the MPSA; or ii) request a proposal (RFP) of one or more firms with an executed MPSA and award the work and Task Order to the most qualified firm, for work that is estimated at greater than \$50,000.

Section 5 - CONTRACT

The Town's standard contract form is a Master Professional Services Agreement (MPSA) and is provided in Attachment I. The Town's standard form MPSA will be considered acceptable to the successful consultant unless the consultant notifies the Town of any exceptions in writing at the time the proposal is submitted. The term of the MPSA is for a period of approximately two and a half years (through June 30, 2023), with provisions for extending the MPSA for up to three (3) one-year extensions, with Town approval.

Section 6 – INSURANCE

The prime consultant and any subconsultants must satisfy the insurance requirements indicated in Article 26 of the standard MPSA (Attachment I).

Section 7 - QUESTIONS AND ADDENDA

If your firm intends to submit an SOQ, in order to ensure that all interested firms are notified of such clarifications or corrections, please provide one email contact to the Town Project Manager as soon as possible.

Questions on this Request for Qualifications can be addressed **via email or telephone by no later than February 25, 2021 at 5 p.m.** to the Town Project Manager listed on the cover of this RFQ.

Should addenda be needed, a copy will be sent by email to all firms and posted on the Town's website prior to the proposal due date. All addenda shall become part of this RFQ. Please note that Town of Windsor business hours are:

Monday – Thursday, 7:00 a.m. - 6:00 p.m.

Due to Public Health Orders, most Town staff are working remotely outside of Town offices to avoid person-to-person contact and help prevent the spread of the coronavirus. Staff are checking email and voice messages regularly during work hours.

Section 8 – LOBBYING

With the exception of contacting work staff to ask questions regarding this RFQ, any party submitting a SOQ of party representing a Consultant shall not lobby any Town of Windsor Council Member or staff, agent or evaluation panel member regarding this RFQ. Any party attempting to influence the RFQ process through ex parte contact may have their SOQ rejected.

Section 9 - RESERVATIONS

THIS MASTER PROFESSIONAL SERVICES AGREEMENT (“Agreement”) is entered into and effective as of _____ (“Effective Date”), by and between the Town of Windsor, a municipal corporation (“Town”) and **Consultant/Vendor** (“Consultant”) (collectively, the “Parties”).

WHEREAS, the Parties enter into this Agreement for the purpose of Consultant providing professional services to Town under the terms and conditions set forth herein.

THEREFORE, in consideration of the mutual covenants contained in this Agreement, the Parties agree as follows:

1. **Services.** Consultant shall provide the professional services generally described in the Scope of Services attached hereto as Exhibit A and incorporated herein, and more specifically described in individual Task Orders to be attached to Exhibit A (collectively, the “Services”). The first such Task Order shall be identified as Task Order No. 1 and attached as Exhibit A-1. Subsequent Task Orders shall be identified and appended accordingly.
2. **Compensation.**
 - A. For the full performance of the Services described in Exhibit A hereto Town shall compensate Consultant on a time-and-materials basis at the compensation rates specified in Consultant’s Services Rate Schedule included in Exhibit A; provided, however, that total compensation for the full performance by Consultant of Services under a particular Task Order shall not exceed the amount stated therein.
 - B. Consultant shall submit detailed monthly invoices for each Task Order reflecting all services performed during the preceding month, and including a revised schedule for performance and additional documentation requested by Town, as applicable.
 - C. The total compensation for the full performance by Consultant under a particular Task Order of this Agreement shall not exceed the amount stated therein, and in no case shall the cumulative total of all Task Orders under this Agreement exceed **\$50,000**, said amount being referred to as the “not to exceed” amount. Consultant shall be compensated for services in addition to those described in Exhibit A, only

if Consultant and Town execute a written amendment to this Agreement describing the additional services to be performed and the compensation to be paid for such services.

- D. Town's obligation to pay compensation to Consultant as provided herein is contingent upon Consultant's performance of the Services pursuant to the terms and conditions of this Agreement and any amendments thereto. Notwithstanding any other provision herein, Consultant shall not be paid any compensation until Consultant has complied with the Town's Business License Ordinance.
3. **Term.** The term of this Agreement commences on the Effective Date, and terminates on **Expiration Date**, unless sooner terminated in accordance with Section 4. Upon termination, any and all of Town's documents or materials provided to Consultant and any and all of the documents or materials prepared for Town or relating to the performance of the Services, shall be delivered to the Town as soon as possible, but not later than fourteen (14) days after termination of the Agreement.
 4. **Termination.** Town may terminate this Agreement without cause upon ten (10) days' written notice. Town may immediately terminate or suspend this Agreement for cause. Cause for immediate termination or suspension shall include, but not be limited to, any breach of this Agreement by Consultant or Consultant's bankruptcy or insolvency. Upon receipt of notice of termination or suspension for cause, Consultant shall immediately stop all work in progress under this Agreement. In the event of early termination of this Agreement by Town, Consultant shall be entitled to payment for all Services performed to the date of termination to the extent such Services were performed to the satisfaction of Town in accordance with the terms and conditions of this Agreement. If Town terminates this Agreement for cause, Consultant shall be liable to Town for any excess cost Town incurs for completion of the Services.
 5. **Consultant's Representation; Independent Contractor.** Consultant represents that Consultant possesses distinct skills in performing the Services. Town has relied upon said representation as a material inducement to enter into this Agreement. Consultant shall, therefore, provide properly skilled and technical personnel to perform all Services under this Agreement. It is expressly understood that Consultant, its agents and employees shall act in an independent capacity and as an independent contractor and not as officers, employees or agents of Town. This Agreement shall not be construed as an agreement for employment.
 6. **Facilities and Equipment.** Consultant shall, at its sole cost and expense, furnish all facilities and equipment that may be required for furnishing Services pursuant to this Agreement. Town shall furnish to Consultant no facilities or equipment, unless the Town otherwise agrees in writing to provide the same.
 7. **Licenses, Permits, Etc.** Consultant shall, at Consultant's sole cost and expense, keep in effect and require its subcontractors, if any, to keep in effect at all times during the term of this Agreement any licenses, permits or other such approvals which are legally required for performing the Services.

8. **Time.** Consultant shall devote such time to the performance of the Services as may be reasonably necessary for satisfactory performance of Consultant's obligations pursuant to this Agreement.
9. **Inspection.** Consultant shall provide the Town every reasonable opportunity to ascertain that the Services are being performed in accordance with the requirements and intentions of this Agreement. All work done and materials furnished, if any, shall be subject to inspection and approval by the Town. The inspection of such work shall not relieve Consultant of any of its obligations pursuant to this Agreement.
10. **Progress Reports.** Upon the Town's request, Consultant shall provide, in a form acceptable to Town, written progress reports of all oral and written observations, opinions, recommendations, analyses, progress and conclusions related to Consultant's performance of the Services.
11. **Confidentiality.** In the course of providing services for Town, Consultant may have access to trade secrets and confidential information, disclosure of which is protected or limited by law. Consultant shall not directly or indirectly disclose or use any such confidential information, except as required for the performance of the Services.
12. **Conflict of Interest.** Consultant represents that it presently has no interest, and covenants that it shall not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of the Services hereunder. Consultant further covenants that, in the performance of this Agreement, it shall not employ any subcontractor or person having such a conflict of interest. Consultant represents that no one who has or will have any financial interest under the Agreement is an officer or employee of Town. If such conflict of interest arises during this Agreement or any extension, Consultant will immediately advise Town and Town may, at its sole discretion, immediately terminate this Agreement.
13. **Consultant No Agent.** Except as Town may specify in writing, Consultant shall have no authority, express or implied, to act on behalf of Town in any capacity whatsoever as an agent. Consultant shall have no authority, express or implied, pursuant to this Agreement to bind Town to any obligation whatsoever.
14. **Standard of Performance.** Consultant shall perform all the Services in a manner consistent with the standards of Consultant's profession or, if no such professional standard, in a manner consistent with the standards applicable to said Consultant or type of work. All instruments of service of whatsoever nature, which Consultant delivers to Town pursuant to this Agreement, shall be prepared to comply and conform to the standards of Consultant's type of work. All such instruments of service shall become the sole and exclusive property of Town upon delivery of the same.
15. **Assignment/Transfer.** Consultant shall make no assignment or transfer in whole or in part of this Agreement shall be made without the prior written consent of Town.

16. **Subcontractors.** Consultant shall directly perform all Services, and shall not subcontract any portion of performance of the Services without the prior written consent of the Town. Any such subcontractors shall be required to comply, to the full extent applicable, with the terms and conditions of this Agreement. Upon execution of this Agreement, Consultant shall furnish a separate schedule of names and addresses of subcontractors, if any, and shall notify Town in advance if changes in subcontractors occur.
17. **Statement of Economic Interests.** The Town may determine that the Consultant must file a Form 700, Statement of Economic Interests, as required by the Town's Conflict of Interest Code. If such is the case, the Town Clerk's office will provide the Consultant with form and Consultant shall file form with the Town Clerk's office. Said filing shall include an Assuming Office Statement within thirty (30) days of execution of this contract, annual statements on or before April 1 of each year, and a Leaving Office Statement within thirty (30) days after termination of this Agreement or any extensions thereto.
18. **Internal Revenue Service Form W-9.** The Town may determine that the Consultant must file an Internal Revenue Service Form W-9, Request for Taxpayer Identification Number and Certification, as required by the Town to comply with regulations of the United States Department of the Treasury.
