

RESOLUTION NO. 2497-09

**RESOLUTION OF THE TOWN COUNCIL
OF THE TOWN OF WINDSOR CHANGING THE FUNCTIONAL CLASSIFICATION OF
CERTAIN TOWN STREETS OF PORTIONS OF ARATA LANE, SHILOH ROAD AND
WINDSOR ROAD**

WHEREAS, the National Highway System has been established to prioritize funding of roadways based upon a Functional Classification system, and

WHEREAS, to be eligible for certain federal funds, roadways must have a California Road System (CRS) functional classification of collector or arterial streets, and

WHEREAS, The procedure for upgrading the CRS classification involves seeking concurrence from the Sonoma County Transportation Authority and Metropolitan Transportation Commission along with submitting a request form to the California Department of Transportation with a Town Council resolution approving the submittal, and

WHEREAS, the Town Council has identified the segment of Arata Lane from Brooks Road South to Foothill Drive, Shiloh Road from Windsor Road to Old Redwood Highway and Windsor Road from Shiloh Road to Windsor River Road to be elevated to the functional classification of Collector Roadways.

NOW, THEREFORE, BE IT RESOLVED that the Town Council of the Town of Windsor hereby requests that the portion of Arata Lane from Brooks Road South to Foothill Drive, Shiloh Road from Windsor Road to Old Redwood Highway and Windsor Road from Shiloh Road to Windsor River Road to be elevated to the functional classification of Collector Roadways within the federal National Highway System; and

BE IT FURTHER RESOLVED that the Town Public Works Director is hereby directed to process these changes through regional transportation agencies and the California Department of Transportation.
