IV. TOWN GREEN

A. Introduction and Town Green Description

1. The Town of Windsor, California, was incorporated in 1992. From the time of inception, the Town Council and staff shared a vision of developing available open space located adjacent to the Town's Civic Center and newly renovated Old Downtown Business District. As the "Heart of the Community", the Windsor Town Green was designed and built in 2001 to accommodate recreational experiences and community events that strengthen community image and sense of place while supporting economic development.
2. The 4.5 acre park is a central gathering place for the community and features an open turf area that serves as a seating area for the community to enjoy live concerts, movies and other public events. Other park design features include an arbor, main stage, covered pavilions, playground, a plum tree orchard, heritage oak grove, a tree-lined bosque area, fountain reflecting pools and a historical time-line walk. This park is serviced with recycled water.
3. The Town Green Use Permit will identify the area(s) reserved, the approved uses and any specific requirements. The use permit will be issued following the submittal and approval of a completed application, including insurance documents and payment of fees.
